**SHORTHORN SALE**

**Saturday, February 27, 1971**

**BRANDON, MANITOBA**

The Canadian International annually attracts the world's largest and most discriminating audience of cattlemen. Be among the more than 2,000 spectators at this world famous event.

# **CANADIAN INTERNATIONAL SHORTHORN SHOW and SALE**

**PROVINCIAL EXHIBITION GROUNDS**

**BRANDON, MANITOBA**

**Saturday, February 27, 1971**

**54 BULLS**

**13 FEMALES**

Consigned by 27 leading herds from five Canadian Provinces.

## GENERAL SALE INFORMATION

**TIME AND LOCATION** — Saturday, February 27, 1971, Provincial Exhibition Grounds, Brandon, Manitoba, Canada, located at the south edge of town on Highway 10. Sale starts at 12:30 p.m.

**SHOW** — 8:00 a.m. Judge, Jack Ragsdale, Prospect, Ky.

**TELEPHONE** — (204) 728-1925.

**SALE HEADQUARTERS** — Prince Edward Hotel, Brandon. Make reservations directly to A. H. N. Griffin, manager, indicating you are attending the Canadian International Sale.

**HEALTH** — The cattle will be sold in compliance with the Health Regulations of the Dominion of Canada and this will make the animals eligible for entry into the various provinces and to cross the U.S. border. Since several states have special requirements, all buyers should be aware of their own health regulations, any special requirements, etc., as all sales are final.

**TERMS** — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Checks are to be handed to the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

**INSURANCE** — Insurance will be available at the sale.

**LUNCH** — Will be available at the sale.

**GUARANTEE** — The cattle will sell under the standard guarantee endorsed by the American and Canadian Shorthorn Ass'ns. Where footnotes appear in the catalog, they were furnished by consignors or written from information supplied by the consignor.

Canadian Shorthorn Sales, Inc., sponsors of this event, or the individual consignors cannot be responsible for any accidents that may occur. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the buyer and seller of each lot. Neither the sale manager nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by Shorthorn Sales, Inc., for specific tasks, promotional and clerical, and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers.

**RECORDING IN U.S. HERD BOOK** — The specific fee levied by the American Shorthorn Ass'n on animals imported from Scotland, their sires, dams, etc., where applicable to cattle purchased in this sale by U.S. buyer will be paid by the consignor. All other cattle will be transferred to the new owner in the Canadian herd book and it will be the responsibility of the U.S. buyer to pay the additional \$10 fee required to transfer from the Canadian to American herd book.

**BANQUET** — A Dutch-treat banquet will be held at 7 p.m. Friday evening, February 26, in the Prince Edward Hotel, Brandon. It will be preceded by a social hour at 6 p.m. sponsored by the Brandon Chamber of Commerce.

**BY-BIDDING** — Any consignor proved to have been "by-bidding" will be barred from all future participation in the Canadian International Bull Sale.

**MINIMUM BID** — Any bull not receiving the minimum bid of \$400 will be withdrawn from the sale ring.

**SALE MANAGER** — Harris Simons, 16 S. Locust St., Aurora, Ill., U.S.A. Telephone (312) 896-8511.

# SHOW CLASSIFICATION

**SHOW:** 8:00 a.m., February 27, 1971

**JUDGE:** Jack Ragsdale  
Sutherland Farms  
Prospect, Ky.

**JACK RAGSDALE**

## BULLS

**CLASS I** — Bulls calved before July 1, 1968.

Lots 1, 2, 3, 4, 5, 6, 7, 8, 9

**CLASS II** — Bulls calved between July 1 and Dec. 31, 1968

Lots 10, 11, 12, 13, 14, 15

**CLASS III** — Bulls calved between Jan. 1 and March 31, 1969

Lots 16, 17, 18, 19, 20, 21

**CLASS IV** — Bulls calved between April 1 and April 30, 1969

**Ribbon**

## GENERAL INFORMATION

**Getting to the sale . . .** Excellent highways and trains serve Brandon. By plane your best connection is through Winnipeg. From Winnipeg to Brandon (**daily except Saturday**) is a Trans Air-Midwest flight departing Winnipeg at 5:30 p.m. There is no scheduled plane service out of Brandon on Saturday. However, special return arrangements will be made for Saturday evening for a flight from Brandon to Winnipeg leaving at 7:00 p.m. for those who book passage in advance by letter to:

Trans Air-Midwest  
Winnipeg 21, Manitoba  
Attn. Reservation Department  
Or telephone: (204) 786-7551

Be sure to mention that you are attending the International Shorthorn sale in Brandon. Please advise the sale manager in advance of your booking. Also, those wishing to leave from Brandon on Saturday evening after the sale can drive to Winnipeg, about 2½ hours from Brandon. Rental cars are available in Brandon and groups are always available with which to share expenses.

Those who prefer trains can take Canadian National Super Constellation from Winnipeg to Brandon departing at 11:20 p.m. and arriving in Brandon at 1:50 a.m. From Brandon back to Winnipeg take Canadian National Super Constellation leaving Brandon at 6:30 a.m. and arriving in Winnipeg at 9:10 a.m. These schedules were accurate in mid-January, but they are subject to change and should be checked.

Harris Simons, the sale manager, will be in Brandon two days before the sale. If you have problems with transportation, call him at the Prince Edward Hotel. Messages may be left with the manager, A. H. N. Griffin.

You will miss too much . . . and barely make the sale, if you plan to arrive in Brandon as late as sale morning. If you have time, bus service is also available between Brandon and Winnipeg.

**Want to come in your truck?** In this way you can load your bull out and head right home. Arrangements are being made to have the U.S. border open at Dunseith, No. Dak. (just 45 miles south) from 6:00 p.m. Saturday

evening after the sale for several hours so you can go through. It will not open again until Monday morning. All health papers will be in order so cattle can go to the U.S. immediately.

**Sending for your truck?** A night watch will be available through Monday evening if necessary, so if you wish you can send for your truck after the sale. After Monday we will help you make special arrangements for care of your cattle at the farm of some dependable nearby Shorthorn breeder. Good truckers are available in the Brandon area and it is a major shipping point. Stan Durnin, Shorthorn breeder at Brandon, has a truck available for delivery of bulls after the sale for any buyer who wishes to use this service.

**We will work with you.** Although it is never possible to predict, past experience indicates cattle will move in all directions. We will try our best to help you arrange group shipment most of the way home.

**Mail Bids:** The following representatives will be attending. You may send bids to them or to consignors. These men may be reached at the addresses given or the evening before the sale at The Prince Edward Hotel.

**Telephone at Sale:** (204) 728-1925.

**E. H. Stoltz**, Editor, Canadian Shorthorn News, Gummer Bldg., Guelph, Ont. Tel: (519) 822-6841.

**Harris Simons**, The Shorthorn World, 16 S. Locust St., Aurora, Illinois. Tel: (312) 896-8511.

**C. D. Swaffar**, Secretary, American Shorthorn Ass'n, 8288 Hascall, Omaha, Neb. Tel: (402) 393-7200.

**Lloyd Hatch**, Secretary, Manitoba Shorthorn Club, Oak Lake, Manitoba.

**J. R. Blacklock**, Auctioneer, 1008 8th St., East Saskatoon, Sask.

**Dr. R. H. Best**, Health of Animals Division, Box 175, Brandon, Man.

**Al Hamann**, Secretary of the Iowa Shorthorn Ass'n, Rock Rapids, Iowa. Tel: (712) 472-3676.

**Gene Fitzgerald**, The Drovers Journal, Cedar Rapids, Iowa. Tel: (319) 365-7242.

**Lyle Eiten**, Prairie Farmer, Ladd, Illinois. Tel: (815) 894-2297.

The City of Brandon annually extends a most cordial welcome to everyone connected with the Canadian International.

## W E L C O M E

The success of the Canadian International Shorthorn Sale has become a modern-day Shorthorn legend. Since 1964, when the sale was moved from Toronto to the heart of the beef cattle country, 339 bulls have averaged \$1,154. Last year being the first time females were sold, they met a very active demand with a top of \$3,800 and an average of \$1,211. It is significant that this sale not only broke its own record in 1970, but also holds the world record for any Shorthorn sale any place in the world all year long.

Today the sons and grandsons of bulls sold in the Canadian International are themselves setting records as champions and top-sellers throughout North America. Equally important, while the sale has contained many record top-sellers, more bulls sell here within the range of the practical cattleman who wants a good bull, than anywhere in the world.

Brandon is within easy traveling distance for anyone searching for that "just right" herd sire or foundation female. Brandon is located 120 miles west of Winnipeg, Manitoba. Winnipeg is a transportation hub with excellent air and rail connections.

JOHN ESAU, President  
Shorthorn Sales, Inc.  
Sponsors of the Sale

## SALE COMMITTEE

Roy Philp .....	N. D. Hogg
W. W. Donaldson .....	S. G. Bennett
Reford Gardhouse .....	John Esau

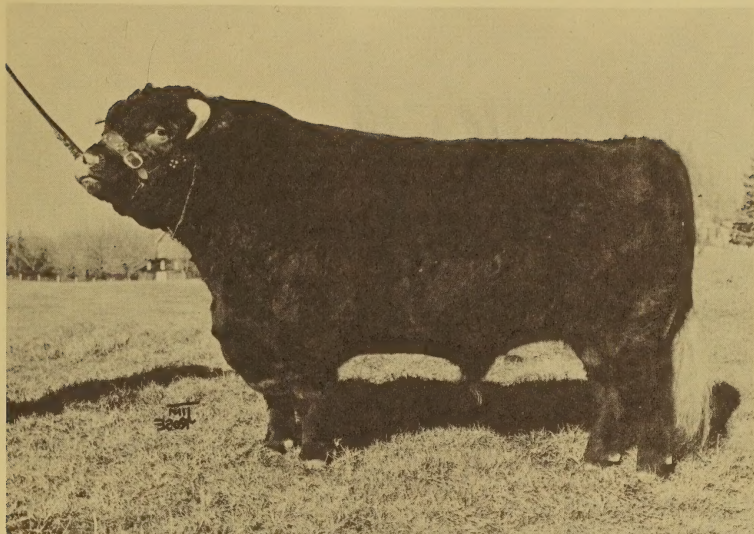

In 1970 a pair of polled bulls won the trophy for best pair for the second straight time for Berwyn & Leta Wise, Boa Kae Ranch, Irricana, Alta. who consign two more this year.

**SCOTSDALE CAESAR** — By Scotsdale Tehran, is out of a Calrossie Prefect Rosebud cow that is also the dam of Scotsdale Uvira Rosebud, winner of the cow class at the Royal Winter Fair the last three years in succession. Caesar won his class at the Royal as a junior yearling and has matured into a bull of tremendous size and still retains character and quality. He has seen service at Scotsdale and will make a top modern-type breeding bull. On Dec. 1, 1970, he weighed 2,020 pounds. At one year he weighed 1,045 pounds. Tehran has been the sire of the winning get-of-sire for the last three years at the Royal Winter Fair and the sire of many champions and top-selling bulls. Scotsdale Aspiration was a champion by Crugleton Adjuster. Caesar's pedigree has five champions in three generations.

Aberfeldy Captivator was International supreme champion and subsequently sired three International champions and 23 All-Americans. A number of his sons sell, including Lot 2.

ABERFELDY KING — A strong, rugged son of the 2,100-pound Aberfeldy Captivator. We have used this bull in the herd and have every confidence in him as a sire. Aberfeldy Captivator was International senior champion and classified AAA. He is sire of 1967 supreme champion at the International and of the reserve champion in 1968, Aberfeldy Jason. In his prime, Captivator weighed over 2,100 pounds in pasture flesh and he's passing on that size and muscling to his sons and daughters.

**ROTHBURY GOLD LEADER x** — Without question he is one of the two best bulls we have ever produced. In him and Rothbury Sir Leader x lie our future as we are **retaining a one-third semen interest in Gold Leader x**. Last year at Denver he won the junior yearling class in quite raw condition. He was easily the biggest bull in the class and was the youngest, being only six days from being a spring yearling. This year in Canada, Gold Leader x and Big Tank x, the recent American Royal and Chicago champion, that we sold at the record price of \$25,000 for two-thirds interest to Lee Johnson in Ohio, were our two, two-year-old show bulls. They were never parted, with Gold Leader standing over Big Tank four times at six shows. They are much alike both being extra large. Gold Leader x is a truly bred, big bull. There isn't a small animal in his pedigree. Bulls like Scotsdale Javelin only sold for \$800 in the "Sale of Stars" as he was reported as being too big and horsey. Blythwood Raylight sired the winning get at the Royal in the days when cattle had to be big. We have Gold Leader's first calves, just babies, both bulls, both polled, and they are the type you would expect from such a great individual as Gold Leader. We have never owned a bull that so many leading breeders wanted to buy. We are looking forward to sharing ownership with the successful bidder on February 27. Gold Leader's weaning weight was 615 pounds. We are not showing you a recent picture of Gold Leader to keep him a surprise. This picture was taken a year ago. You should see him now!

Kirkbride Natalie  
Red, S. Coulthard & Sons

ROTHBURY DYNAMIC LEADER 19th x — This good, red son of Mighty Mr Modern x was used at Rothbury and his calves are among the best weaned this fall. After observing how outstanding his first calves appear, we refused some good offers for him and used him on 26 heifers this year. His weaning weight was 575 pounds. We did not use him at Rothbury just on his good appearance. His mother, Kirkbride Uppity, was the highest indexing female Sid Coulthard ever had, and to stay at Coulthard's they had to pay. We hope you will visit the farm at sale time and see the calves by the 19th x. We think you will see why we have so much confidence in him.

Scotsdale Utopia, sire of Lot 6, as he was pictured on the front cover of *The Shorthorn World*.

**GOOD HOPE ROYAL** — This is our last son of Scotsdale Utopia which we purchased in the 1966 Canadian International Sale where he won his class. His dam is now 15 years old and is one of the most consistent producers in our herd, as you will see, as we have another of her sons entered in this sale. Good Hope Royal was shown last summer across western Canada and stood well up at all the shows where he competed in class against some of the breed's greatest bulls, including both the grand champions at Toronto and Chicago.

Saraguay Gambler 12th x, AAA, is the youngest bull ever to be classified AAA in North America. A son was reserve grand champion of the 1970 Canadian International sale, and other sons sell this year, including Lot 7.

**GLORIADALE ROYAL BANKER x** — A very popular roan son of Gloriadale Bonaparte x, that has given us the most uniform crop of calves Gloriadale has yet produced. This rugged polled bull has tremendous scale, a real set of legs, great hair coat and a good polled head. He could go into any horned or polled herd and do a good job. **Gloriadale wishes to retain the frozen semen they have stored on this bull.** His dam is one of the good cows at Gloriadale and his granddam is the best cow at Ceresmore. We are proud to consign this young sire that is of the same calibre as the two Gloriadale bulls that topped the polled division in this sale in 1965. They have both been brought back to Gloriadale.

**GLORIADALE CROWN ROYAL x** — Here is the modern polled son of Gloriadale Bonaparte x that every one who has visited Gloriadale is talking about. His dam is a daughter of the renowned Gloriadale Meteor 5th x, that sired more Polled Shorthorns that have done well for their new owners than any other Polled Shorthorn bull in America. To prove it, Gloriadale has recently bought back Gloriadale Premium x and Gloriadale Supreme x that were the top-selling polled bulls in this sale in 1965. Crown Royal x has four ton bulls in his pedigree. He is set on good legs and feet and has a great hair coat and an outstanding polled head like his father and grandfather who were both AAA bulls. Gloriadale wishes to **retain a semen interest** in this young sire. He is of the same calibre as our 1965 pair of bulls which have been resold three times each since 1965.

Louada Brunel, AAA, is one of the largest bulls ever used in Western Canada. His sons are annually among the best in the Canadian International sale. He is the sire of Lot 10.

**GLORIADALE ROYAL SUPREME x** — Here's a real herd sire prospect by Gloriadale Bonaparte x, AAA, the record priced bull. He is a half-brother to Gloriadale Fascination x, that weighs a ton and has become an AAA bull at Chuck Leemon's, Hoopeston, Ill., and a half-brother to Gloriadale Constructor x, that sold for \$3,600 in our sale in 1965 going to Ralph Stirn, Iowa; Leonard Bigham, Kansas, and Martin Lundvall, Iowa. One of Constructor's sons sold to Orville Leonardson, New York, and went on to be champion at New York State Fair. Our best heifer at Gloriadale this year is by Royal Supreme x. **Gloriadale wishes to retain the semen they have stored from this bull.** His dam has already produced these three top bulls and his granddam, Scotsdale Mardi Pauline, produced Gloriadale Deacon x that became an AAA bull and did such a good job for Dave Brockmueller in South Dakota. You will like this good-headed, good-boned, dark red polled bull and he will breed on for anyone. He, like his two half-brothers in this sale, are of the same calibre as Premium x and Supreme x that topped the polled division in the 1965 sale.

**Aberfeldy Heir** was International supreme champion and is now in service for Aberfeldy, Milton, Ont. Lot 12 is one of his first sons to sell in North America.

Pleasant Dawn Mina x  
Red, white markings, L. M. Hatch

**PLEASANT DAWN McDUFF 2nd x** — This long, very trim bull is a proven sire. He has a clean polled head and could be a 100% dehorner. His dam is a descendant of our original polled female, purchased in 1942. Raised in the rough, he is sound with good legs and feet. He has a very heavy coat of hair and lots of muscling. His sire, Pleasant Dawn Approval x, weighed 2,285 pounds and is a half-brother to the 1970 Chicago grand champion Kenmar Ransom 32Z that sold for \$25,000 for two-thirds interest. If you are a horned breeder looking for a good polled bull with nearly 40 years of Polled breeding in dam's ancestry, plus as many years of large sires, come look him over.

Stan Durnin will see that shipments are grouped most economically and will also make arrangements for holding bulls at nearby farms until they can be moved. With so many consignors coming from all over Canada, shipping will be simple to arrange. If you want to bring your own truck, special arrangements will be made to hold the border open until your truck clears that point on the evening of the sale.

**KEITH PARK DYNAMIC x** — This is one of the first sons of the mighty Pleasant Dawn Riverhurst 3rd x to sell. Riverhurst 3rd x weighs a massive 2,300 pounds, has terrific length of body and is a 100% dehorner. Dynamic x resembles his sire with his deep body and long, well-muscled legs. He weighed 1,490 pounds at 20 months of age. His dam is a well built cow weighing 1,500 pounds and with good rear quarters. A half-brother to Dynamic, Keith Park Riverhurst x, was reserve champion bull at the Saskatoon and Regina Exhibitions last summer. Dynamic x is a bull that will fit into the best of herds.

Brandon is within easy traveling distance for anyone searching for that "just right" herd sire or female. Brandon is located 120 miles west of Winnipeg, Manitoba. Winnipeg is a transportation hub with excellent air and rail connections.

OLIVE GROVE LEADER 7th x — This big, correct Leader bull is out of one of the best cows in Alberta. She weighed 1,510 pounds last fall. Leader 7th is very correct, never stands wrong. Study his pedigree carefully; it is hard to duplicate if you demand big, useful cattle in your bull's pedigree. Along with his extra length of leg and body, Leader 7th displays a lot of style and could be the bull to beat next season. We are retaining a one-third interest in Leader 7th. If the buyer is willing, we would like to show him next summer at the major Canadian shows.

**WESTON BRANDON LEADER x** — He is a son of the sire of sires, T P S Coronet Leader 21st x, and from one of the few cows to ever leave the Brandon Research Station where they have selected solely for performance for 12 years. Few bulls in America can be offered with so much performance background and few have as many big cattle in his background. The size background of Leader 21st x is well known. Kelrose Secret 2K was an extra large bull as was Coronet Sunshine 33rd x. In fact if we never left the type of Coronet Sunshine 33rd x, Shorthorn breeders would never have had a size problem. He left many wonderful big cattle. We sold this bull in our June sale to Acadia Farms for \$1,600 but because of warts, we couldn't export him so we replaced him with Green Bluff Leader 8th x, who was later made champion at Ohio State Fair. John Draper and Bob Duncan both bid on this calf in our June sale so that speaks for his potential. We think here could be quite a breeding bull.

RANNOCH TRIUMPHANT NUGGET x — His sire, Rothney Triumphant, is by Scotsdale Trooper and out of a Calrossie White Emblem cow. Triumphant sired the reserve champion Shorthorn steer and the winning get-of-sire over all breeds at the 1970 Royal Winter Fair. Sons of Scotsdale Trooper bred in the Rothney herd have had enviable records both in Canada and United States.

**GREEN BLUFF LEADER 16th x** — This is certainly one of the good polled stock bulls to be offered this year and we don't believe in making these statements unless we have the bull to back it up. We have been at all the major United States and Canadian shows this year and if Leader 16th x had been there he would have been a strong competitor for champion at them all. Don Cagwin of Questing Hills liked him when he visited Kinnaber a couple of times last fall. He is a modern kind of bull with a thick, wide, well-muscled top yet very clean and free of waste and moves on good feet and legs with strong bone. He has the elevation needed in modern beef cattle yet has retained the thickness so many of these more elevated cattle haven't got. His sire, "George the Giant x" (Kinnaber Leader 3rd x), has been a wonderful breeding bull. He never sires a poor one. If this progeny were put together at the major shows, they would be tough to handle in the get-of-sire class. Here is a bull we offer with pride and know his fortunate new owner will have a stock bull among the best to be found.

Roan, white markings, G. M. Croy

**GOOD HOPE TRADE WINNER** — This bull is out of the same dam as Good Hope Royal, another of our entries in this sale. He is by Weston Trademark 2nd x, our senior sire by T P S Coronet Leader x. Trade Winner is very much like his sire being very trim, with good length, thickness, strong on top and good quarter. He was one of the most consistent bulls on the western Canadian show circuit this summer, never standing lower than third, the same placing he had at the Toronto Royal. We feel Trade Winner is the kind that will keep Shorthorns in competition with other breeds. If you are looking for a modern horned bull, be sure to see him.

**PLEASE CLIP OUT AND MAIL TO:**

**HARRIS SIMONS, The Shorthorn World**  
**16 South Locust St., Aurora, Ill. 60506**

I will be attending the banquet Friday evening, February 27, Brandon, Man. There will be \_\_\_\_\_ in my party. The banquet is dutch-treat. Tickets will be purchased at the door (\$4.00 each), but we need to know how many will be attending in order to make plans.

Remitall Gold Emblem was the 1968 grand champion and all-time record top at \$8,100 when he sold to Melbourne Farm, Big Rock, Ill.

Champion and top-selling bull at the 1970 Canadian International was Boa Kae Royal Crown x. He sold for \$5,300 for two-thirds to Vanderdale Farms, Milton, Ont.

# Here Are a Few of the Great Ones

Whether you are a leading registered breeder or quality minded commercial cowman, Brandon is the place to find the kind of Short-horn bulls that will show profit and progress in your beef program.

A glance at the tables below will show that there have been some high priced bulls sold, but further study will also show that more than half of the bulls have sold for \$1,000 or less, well within the range of commercial herds.

CANADIAN INTERNATIONAL SALES					
Year	Head	Gross	Ave.	Top	
1964	55	\$ 75,470	\$1,372	\$5,000	
1965	58	49,640	856	5,900-(2/3)

Kinnaber Claret Coronita 2nd x topped the 1970 sale for females, going to Packard Cattle Co., Elbert, Colo., for \$3,800.

Rothbury Dynamic Leader 17th x was reserve grand champion and \$6,000 top of the 1969 sale, going to Mrs. W. C. Pitfield, Montreal, Quebec.

Boa Kae Royal Mint x, that had been reserve junior champion at the International Spotlight Show, was the second-top of the 1970 sale at \$4,300 to Remitall Cattle Co., Olds, Alberta. He is a half-brother to the champion of the 1970 show.

Saraguay Gambler 67th x was reserve grand champion bull in 1970, selling at \$3,200 for two-thirds to Walter Bros., Grand Ridge, Illinois.

## from Other Canadian Internationals

Bulls from this sale pay their way:

### Example!

Remitall Banner sold for \$8,000 in the 1967 sale to John Shuman and Sons, Byers, Colo. and Davison Ranch, Elizabeth, Colo. In the Shuman production sale in 1968 his first five calves sold at auction totaled \$10,925.

### Example!

Bapton Toreador sold in the 1964 sale for \$5,000 to Mains Farm, Poulsbo, Wash. He resold in their

1967 sale for \$10,000 after extended use.

### Example!

Remitall Captain Jim sold in the 1966 sale at \$3,500 to Melbourne Farm, Big Rock, Ill. His sons in their 1968 sale averaged more than \$1,700. A son in 1969 was top-selling bull in the U.S. Two sons won championships at the 1969 International and his progeny made up the winning get and other groups.

### Here's how they have sold in the seven Brandon International Bull sales:

BULLS	
Less than \$500 .....	0
\$500 - \$700 .....	102
\$750 - \$1,000 .....	64
\$1,000 - \$1,500 .....	60

**PLEASANT DAWN AUSTIN** — This is probably the largest bull for age that we have raised. He has that length, that elevation, that muscling and natural fleshing that the exotic breeds claim to have. He is trim with a good coat of hair and that docile Shorthorn nature. He is the kind we like to offer for sale. He is a half-brother to Pleasant Dawn Mack x, the bull that H. E. Poole & Son showed to supreme championship at Manitoba's Centennial International show in July 1970. In the Manitoba Provincial test station, his 140-day test was rate of gain per day 3.27 pounds; weight per day of age 2.97 pounds; adjusted yearling (365 days) weight 1,092 pounds. Running with a group of bulls, he is sound and able to move. We highly recommend this young bull.

Roan, star, Louada Manor Farms

Sunnyhill Rosewood 62nd

Red roan, W. E. Parker &amp; Sons

**CARLAN ASTRO** — A well-bred young bull with bone and growth potential both necessary to meet today's demands. The breeding on both sides indicate both size and skeletal correctness.

It was difficult  
getting close  
to the sale ring  
in this standing-  
room-only crowd  
at the 1970  
Canadian  
International.

Stone Oak Leader x was grand champion both at the Eastern National and the Pennsylvania National, reserve International senior champion in 1970, and reserve grand champion at Denver in 1971. He is from the same herd as Stone Oak Proud Boy x, Lot 45.

**STONE OAK PROUD BOY x** — This young prospect by Weston Trademark 2nd x (probably the best muscled son of T P S Coronet Leader x), has the same ruggedness of his sire. Dark red in color, no scurs, strong feet and legs plus an abundance of muscling are a few of his many good features. A three-fourths brother was grand champion Shorthorn steer at this year's Red River exhibition and a half-brother by Weston Trademark 2nd x, sold in the 1970 International Bull Sale at 11 months of age for \$2,400, to Dr. and Mrs. Glenn Miller, Hannibal, Mo. His dam is by an International Bull Sale class winner and out of one of the most reliable lines of cows from my father's herd. This cow was bred in the same herd as the dam of Stone Oak Leader x (Dutch) that was grand champion of the Eastern National and the Pennsylvania National and reserve senior champion at the 1968 Chicago International, as well as reserve champion at the Red River Exhibition in 1970.

**ROTHBURY MR. LEADER x** — It is our policy to offer our top calf in this sale. In 1968 it was Rothbury Dynamic Leader x that sold at \$4,000 to Ken Gunter in Ontario. In 1969 it was Rothbury Dynamic Leader 17th x at \$6,000, to Mrs. W. C. Pitfield of Quebec. In 1960 it was Rothbury Dynamic Leader 27th x to Sunrise Valley View Farms of Minnesota, at \$2,050. This year it is Rothbury Mr. Leader x, whom we should have called "Mr. Everything". He is a tremendous calf, almost a full-brother to Rothbury Gold Leader x. We will say no more. Set your sights high. He won't disappoint you.

**SCOTSDALE DYSON** — A very promising calf out of a Scotsdale Muskateer cow, whose dam was also the dam of Scotsdale Navarre, the bull that did such a tremendous job for us. A half-brother to Dyson is in the Milton Nagley herd in Kansas and a half-sister in the Rothney herd. This calf has lots of stretch and growth potential and has the following official government test figures: average daily gain 3.6 pounds; lifetime gain 2.7 pounds, and an adjusted yearling weight of 993 pounds. On December 1, 1970, he weighed 1,105 pounds.

GOOD HOPE TRADE MEDAL x — This is a full-brother to Good Hope Silver Prince x, our entry in last year's sale that created a lot of interest and sold to Dr. & Mrs. Miller of Missouri for \$2,400. He is typical of Silver Prince x, being trim, with good length and quarter and plenty of muscle. His sire, Weston Trademark 2nd x, is siring the type of calves that will make Short-horns more popular with the packer. We feel this is one of the most important improvements to be made in the breed today. If you need to improve the carcass qualities of your herd or are looking for a bull to sire club calves, Trade Medal x could be the bull for you.

Brandon Captain 116V (Captain Big) is stock bull for E. H. Esau, Elmcreek, Man., and the sire of Lots 52 and 53.

Red, J. C. & W. E. Kirk

Kirkbride Lavender

Roan, Sid Coulthard

**ERNMORE REVELANTA** — A great son of "Captain Big" and out of a Sid Coulthard cow. This bull has the background to be big. His granddam is by Searle Monarch, a son of the great Killearn Begg, a bull that bred so well for Searle Farms, East Selkirk, Man., and the late J. Inkster. This pedigree missed the small, tidy cattle era. Captain Big's dam weighs an honest 1,600 pounds. Captain himself weighed 1,116 pounds at 12 months, ran out with cows since he was 15 months old and still matured at over 2,400 pounds. His calves at the Test Station, summer shows and Toronto Royal really impressed people with their size and quality. Some people think you have to sacrifice quarter and thickness to get big cattle. Captain proves you can get both along with size. A great calf worth looking over.

Ernmore Capone sold to Terry Horn, Wiggins, Colo., in 1970. He is a half-brother to Ernmore Contender, Lot 53.

**Lot 53, Bull**

Red, Sid Coulthard

**ERNMORE CONTENDER** — His dam is an outstanding R. O. P. cow, also from the Sid Coulthard herd. These cows have proven themselves in the last few years. Coulthard did not go for the small, tidy cattle and now they are proving he was right. This cow has never produced a calf that gained under three pounds a day on test. With this record on the dam's side, and Captain Big on the other, he has to produce with the size factor bred right in. Brandon Captain was over 1,100 pounds at 12 months and matured to over 2,400 pounds. He has a great quarter and fleshing and is a good carcass producer. His calves have been in good demand. Melbourne Farm, Big Rock, Ill., recently purchased all of our 1970 heifers, and they know good ones. As our herd is small, we'd like to **reserve the right to collect semen with buyer's permission for our own use**, as here is a bull we are sure will breed on in size and quality.

Pleasant Dawn Riverhurst 3rd x is the 100% dehorning sire recently sold to Tutira, Arundel, Que. He is the sire of Lot 54.

**KEITH PARK RIVERHURST 9th x** — It was a hard decision, but we have decided to offer this great bull calf for sale. He is sired by the great Pleasant Dawn Riverhurst 3rd x, and resembles his sire with his extra length of body and well muscled legs. His dam, Mistress 2nd, is a good, big cow, always giving us exceptional calves. Our female entry, Keith Park Miss Jewel x, is a full sister to Riverhurst 9th x. We wish to retain show rights for the 1971 show season for this bull calf.

The 1970 Canadian International was the greatest sale held anywhere in the world last year. The average on 35 bulls was \$1,585; the average on 15 females was \$1,211; and the entire sale average was \$1,472. The top bull sold for \$5,300 and the top female sold for \$3,800. Don't miss this truly great event this year.

**Kinnaber Claret Coronita 2nd x**, consigned by Kinnaber Shorthorns, Souris, Man., was the top-selling female at \$3,800 in last year's sale. She went to the Packard Cattle Co., Elbert, Colo.

**Weston Butterfly x** was reserve grand champion female and second-top seller of the females at \$2,400 to the Packard Cattle Co. She was consigned by Nold's Weston Shorthorns, Gettysburg, S. D., and Kinnaber.

## **HISTORY-MAKING FEMALES**

### **Sell the Second Time**

### **IN THE "INTERNATIONAL"**

Last year, for the first time, Shorthorn Sales, Inc., voted to sell a select draft of females in the Canadian International. Accordingly, fifteen females were sold for a total of \$18,160, or an average of \$1,211.

Top female at \$3,800 in last year's sale was Kinnaber Claret Coronita 2nd x, consigned by Kinnaber Shorthorns, Souris, Man. She was purchased by Packard Cattle Co., Elbert, Colo.

Reserve grand champion female and second-top seller of the females at \$2,400 was consigned by Nold's Weston Shorthorns, Gettysburg, S. D., and Kinnaber. Named Weston Butterfly x, she also went to Packard Cattle Co.

Grand champion female was Sunnyland M Bonnie 3rd x consigned by Ivan and Mac Parker, Watford, Ont. She sold for \$1,650 to Kinnaber.

You owe it to yourself and your herd to see and consider adding one or two of the 13 magnificent females catalogued on the following pages.

**M F R L BELLE x** — This big daughter of Roan Lad of Northwood x stood in the top four at every major show we attended this past season. She is due to calve her second calf right at sale time as she is served to Mighty Mr. Modern x. She calved last spring but the calf was lost. M F R L Belle x was purchased to be a replacement female at Rothbury but we felt that a female with her scale is what this sale demands. She weighed 1,430 pounds on Dec. 3, 1970.

Scotsdale Adventurer on his third birthday, weighing 1,860 pounds in pasture condition, is well over a ton now. A son of the great Tehran. We purchased him as a calf at the Scotsdale-Aberfeldy-Ettrick sale in 1967. He later stood second in his class at Toronto next to his half-brother Scotsdale Adrian. Adventurer has now been our herd sire for three years and is living up to his expectations. One of his first sons Killbern Advent Mission had a lifetime gain of 2.50 at 17 months and was reserve champion at Swift Current Bull Sale last spring.

SUNNYHILL M MYSIE 31A x — A long, white polled heifer that is real trim and will make a real brood cow. She is sired by Damascus that also sired the grand champion female here last year. She was a member of the second-prize get-of-sire at the Royal Winter Fair in Toronto. There is lots of polled breeding in this pedigree. Sells bred to Sunnyhill M Ginger x. This is our two-year-old junior herd bull. His first calves have just been weaned from two-year-old heifers and they have a slightly higher weaning weight than the Damascus calves.

Keith Park Dawn x was reserve champion female at the  
Saskachimo Exposition and first in her class at Regina.  
A half-sister sells as Lot 62.

**KEITH PARK MISS JEWEL x** — This young heifer, sired by Pleasant Dawn Riverhurst 3rd x, the bull that produces the champions, is safe in calf to Royal Leader. She placed high in our show string this past summer, and is a half-sister to the reserve champion female at Saskachimo Exposition, that also was first in her class at Regina Exhibition last summer. A half-brother to these two heifers was reserve champion bull at the Regina Exhibition.

Butte Lee Leader 75th was grand champion of the 1970 Canadian National Exhibition, reserve grand champion of the Royal Winter Fair and is senior stock bull for Aberfeldy, Milton, Ont. A full-sister sells as Lot 63.

BUTTE LEE DAWN 2nd x — A full sister to Reford Gardhouse's Butte Lee Leader 76th that was grand champion at the 1970 C. N. E. and reserve grand champion at the Toronto Royal Winter Fair. Dawn 2nd x is offered as a special attraction; she is not highly fitted as she ran on pasture all summer of 1970. She will make a fine big brood cow like her dam that could be one of the best females Edgar Philpott ever owned. She is a fine, big, feminine cow, the kind we need more of. Although 13 years old, she is still active in the Kinnaber herd. We also have two full sisters to Dawn 2nd x in our herd or we would never consent to selling this fine female. She is offered bred to Elm Ville Bullet (Colossal's Image) the extra modern bull we now have at Ankony Angus, who will campaign him at the major 1971-72 shows for us. We feel this bull has many things the beef cattle industry is going to demand in the 70's and we intend to evaluate him for these qualities.

**PLEASANT DAWN ROSALEEN 20th x** — A very correct heifer out of a Hi Way Royal Oak x cow. All of our Royal Oak x cows have been large and good producers. Some are now 13 years old. A few have been marketed and have weighed 1,400-1,500 pounds. We had thought of showing this heifer in 1971 so we bred her November 10, 1970, to Coronet Eagle x. We purchased this yearling bull from Clarence Mohn, Cottonwood, Minn. He was grand champion at the Minnesota State Shorthorn show in August, 1970. A performance tested bull, he weighed 1,022 pounds at 365 days. On home test Rosaleen 20th x indexed 114 on weaning weight and had our highest yearling index of 110. Heifers were raised on whole oats, fed twice daily and hay. Weighed 1,045 pounds in October, 1970.

**ROTHBURY MISS ROSE BANKER x** — This is the first calf by Rothbury Sir Leader x we have ever sold. I think when you see her you will see why we have refused some attractive offers for Sir Leader x. Her mother was the cow we selected to show in 1969. Rothbury Miss Rose Banker x was slated to head our 1971 sale with Saraguay Farms as a special attraction but we felt that this is the type of female that a sale like the Canadian International demands. To give the buyer of this great young female added value, she will be served to Rothbury Gold Leader x.

Exhibitors set their animals up for judging at the 1970 Canadian International Show and Sale.

**PLEASANT DAWN BARBEE x** — This calf had a weaning weight of 490 pounds and was on pasture with cows until November 20. She had her first grain December 1. She is a heifer's first calf. Her dam is by Hi Way Frontier x, a 100% dehorner and sire of our high gaining group of bulls in the 1967 and 1968 tests. Here is a good-headed quality heifer.

**ROTHBURY QUEEN OF  
BEAUTY 3rd x, Lot 67**

**Candun Queen of Beauty 3Y x**  
was the first Polled Shorthorn  
female ever to be champion  
at the Royal Winter Fair.  
She won as a two-year-old  
with her first calf at foot.  
Her second calf sells as

**ROTHBURY QUEEN OF BEAUTY 3rd x** — This could be the most valuable female we have ever sold. It cost us quite a bit to produce her, \$4,000 for a one-third interest in her sire; \$2,800 for her mother. When you see her, you will understand why good cattle cost more. She is a great one. Her mother ended her 1969 show career as a two-year-old being reserve grand champion female at the Toronto Royal while nursing her first calf, a good white heifer that was sold at a four-figure price to Hart Farm in Texas. In 1970 she came back as a three-year-old showing as a cow with Queen of Beauty 3rd x at foot and was grand champion female at the Red River Exhibition. Great females must come from a line of superior cows. Rothbury Queen of Beauty 3rd x can win for you in the coming shows, and she will be a female you will point to with pride in the years to come. To give the buyer of this great calf added value, she can be served to "Big Tank", the recent American Royal and Chicago International supreme champion. We sold two-thirds interest in Big Tank to Mill Brook Farms, Ohio, at \$25,000. Rothbury Queen of Beauty 3rd x weaning weight was 540 pounds at 213 days.
